Rome, 14-15 November 2025

**CENTRO CONGRESSI
"INMI SPALLANZANI"**

Dear Colleagues,

I wished to organize this up-to-date on peripheral nerve surgery in order to compare the opinions and to share experiences of experts in radiologic and neurophysiologic diagnostics, trauma, rehabilitation, and in treatment of peripheral and central injury sequelae. We will discuss best practices for: Brachial Plexus Injury, Nerve injury in traumatology, Iatrogenic nerve injury, Spasticity and tetraplegia.

The scientific program provides extensive space for discussion and debate between experts and the audience in a friendly setting.

Nicola Felici
