General Information

INSPIRE, INNOVATE AND INTEGRATE

The second edition of iCALS meeting will be held in Rome. This unique meeting is designed and conceived to provide the latest innovations and state-of-art in lymphatic surgery with worldwide experts in the field.

Treating lymphatic disorders requires a multidisciplinary and holistic approach and iCALS will offer the unique opportunity to gather Lymphatic Surgeons with other Medical Specialists and Physiotherapists with dedicated sessions and workshops.

Finally, iCALS will give open opportunities to the Rising Stars in lymphatic surgery to share the podium and present their contributions in the field.
